Metro
Calling**

LAKEDALE

COMMUNICATIONS

What is Optional Metro Calling Service?

- Optional Metro Calling Service (OMCS) will allow customers living in areas of Lakedale Communications, that do not have mandatory Metro EAS, unlimited toll-free calling to and from the metro areas.

How much does Optional Metro Calling Service cost?

- OMCS costs \$29.95 per month/per line in addition to your current local telephone, federal and state taxes, and calling feature charges.

Is OMCS available to both residential and business customers for the same price?

- Yes. This service is available to both residential and business customers for \$29.95 per month/per line.

What is required of me to have this service?

- Customers will be required to have a 320-490-xxxx phone number.

What do I do with my current phone number?

- Customers can either change their current phone number to a 320-490-xxxx, keep their current phone number and add an additional line with the new 320-490-xxxx, or use their current phone number to ring to the new 320-490-xxxx. (See our Service Center for additional details.)

What will it cost me to change my phone number or add another line with OMCS?

- There is a charge of \$19.50 if a customer changes their phone number or \$60.25 to add a new line.

What is my overall benefit of having OMCS?

- This service will give you unlimited local calling to friends, family, and businesses that are located in the metro areas. Also, customers in the metro areas will be able to call locally with unlimited calling as well. No more long-distance calls to or from the metro areas.

How do I apply for this service?

- Simply contact our Customer Service Center at 320-274-8201 or 320-243-3343, and they will assist you with scheduling a date to activate this service.

With Optional Metro Calling Service, you can enjoy the benefits of:

- Expanding your market for business.
- Keeping in touch with family and friends.
- Lowering your long-distance bills.
- No additional equipment needed.
- Allowing local metro access without the hassle of relocating.
- No minimum or maximum usage.
- Unlimited local calling to the metro areas.

IF YOU MAKE CALLS WITHIN THE METRO CALLING AREA:

You must dial ten digits—the area code plus telephone number. Do not dial a “1” or “0” before making the calls.
